Disclaimer

The information set out in this presentation (the "Presentation") has been produced by Wentworth Resources Limited (the "Company" or "Wentworth") as of May 21, 2013 and is being made available to recipients for information purposes only. It does not constitute, nor is it intended to be an offer to sell, or an invitation to subscribe for, or purchase, any securities in the Company. The information set out in this Presentation has not been independently verified and may be subject to updating, completion, revision and amendment. The Presentation does not purport to summarize all the conditions, risks and other attributes of an investment in the Company.

The Presentation and its contents are strictly confidential and may not be reproduced or redistributed, in whole or in part, to any other person. By receiving this Presentation you acknowledge that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the Company's business. The distribution of the Presentation may in certain jurisdictions be restricted by law. Persons into whose possession the Presentation may come are required by the Company to inform themselves about and to comply with all applicable laws and regulations in force in any jurisdiction in or from which they invest or receive or possess the Presentation and must obtain any consent, approval or permission required under the laws and regulations in force in such jurisdiction, and the Company shall not have any responsibility or liability for these obligations. No representation or warranty (express or implied) is made as to, and no reliance should be placed on, any information, including projections, estimates, targets and opinions, contained herein, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained herein, and, accordingly, none of Wentworth or any of its directors, officers or employees accepts any responsibility for the information, statements, matters, facts or opinions stated herein, or any liability whatsoever arising directly or indirectly from the use of or any act or omission undertaken in reliance on the Presentation.

Certain of the information contained herein may include forward-looking statements relating to the business, financial performance and results of the Company and/or the industry in which it operates. Forward-looking statements concern future circumstances and results and other statements that are not historical facts, sometimes identified by the words "believes", "expects", "predicts", "intends", "projects", "plans", "estimates", "aims", "foresees", "anticipates", "targets", "may", "will", "should" and similar expressions. The forward-looking statements contained in the Presentation, including assumptions, opinions and views of the Company or cited from third party sources are solely opinions and forecasts which are subject to risks, uncertainties and other factors that may cause actual events to differ materially from any anticipated development. The forward-looking statements in this Presentation are based on certain assumptions including but not limited to expectations and assumptions concerning prevailing and future commodity prices and exchange rates, applicable royalty and tax rates, future well production rates, the performance of existing and future wells, the sufficiency of budgeted capital expenditures, the availability and cost of labor, services and equipment, adequate weather and environmental conditions and ability to successfully construct or expand facilities. None of the Company or any of its subsidiaries or any directors, officers or employees thereof provide any assurance that the assumptions underlying such forward-looking statements are free from errors nor does any of them accept any responsibility for the future accuracy of the opinions expressed in the Presentation or the actual occurrence of the forecasted developments. Neither the Company nor its directors or officers assumes any obligation to update any forward-looking statements or to conform these forward-looking statements to the Company's actual results.

AN INVESTMENT IN THE COMPANY INVOLVES RISK, AND SEVERAL FACTORS COULD CAUSE THE ACTUAL RESULTS, PERFORMANCE OR ACHIEVEMENTS OF THE COMPANY TO BE MATERIALLY DIFFERENT FROM ANY FUTURE RESULTS, PERFORMANCE OR ACHIEVEMENTS THAT MAY BE EXPRESSED OR IMPLIED BY STATEMENTS AND INFORMATION IN THIS PRESENTATION. A NON-EXHAUSTIVE SUMMARY LIST OF RISK FACTORS IS INCLUDED ON THE NEXT SLIDE, ENTITLED "RISK FACTORS". SHOULD ONE OR MORE OF THESE RISKS OR UNCERTAINTIES MATERIALISE, OR SHOULD UNDERLYING ASSUMPTIONS ON WHICH THIS PRESENTATION IS BASED PROVE INCORRECT, ACTUAL RESULTS MAY VARY MATERIALLY FROM THOSE DESCRIBED IN THIS PRESENTATION, AND INVESTORS IN THE COMPANY MUST BE PREPARED TO LOSE ALL OR PARTS OF THEIR INVESTMENTS. THE COMPANY DOES NOT INTEND, AND DOES NOT ASSUME ANY OBLIGATION, TO UPDATE OR CORRECT THE INFORMATION INCLUDED IN THE PRESENTATION.

Readers are cautioned that the list of assumptions and risks identified is not exhaustive. Additional information on these and other factors that could affect the operations or financial results of Wentworth may be included in Wentworth's corporate filings which are available on its website at www.wentworthresources.com. Near Term Catalysts

Near Term Catalysts

Exploration

- Results of an ongoing Mnazi Bay, Tanzania G&G study, including interpretation of new offshore 3D and onshore 2D seismic data, will help high-grade existing prospects and possibly identify new prospects;
- Interpretation of 1,016 km of new 2D seismic in the Rovuma Onshore Block, Mozambique being used to assist in the selection of final drilling locations;
- Updated Competent Persons Report (“CPR”) for Mnazi Bay and Mozambique expected in Q3 2013;
- Drilling of 2-3 exploration wells (operated by Anadarko) in the Rovuma Onshore Block in 2014;
- Drilling of 1 exploration well (operated by Maurel & Prom) in Mnazi Bay in 2014.

Development

- Finalize a Gas Sales Agreement for up to 130 mmcf/d to supply the new Mnazi Bay to Dar es Salaam pipeline (under development by Chinese contractor) from existing gas resources (834 Bcf mean gross recoverable);
- Drilling of 1 development/appraisal well in Mnazi Bay in 2014 to support future gas production;
- Complete field development to support gas production into the new pipeline starting in late 2014;
- Gas production into the pipeline unlocks >US\$80 million in net cost recovery and >US\$35 million in net receivable from TPDC.
